ORDER RE LETTER

16 The Court is in receipt of a letter from Hoa Doan, the Plaintiff in this matter. In the
17 letter, Doan appears to state that he is experiencing shoulder problems after having signed a
18 settlement for worker's compensation in January of this year, and would like this Court to
19 file on his behalf an untimely motion for reconsideration with Judge Padilla of the Workers'
20 Compensation Appeals Board in San Jose. The extent of this Court's involvement in Doan's
21 matters is to have dismissed his discrimination complaint with prejudice in May of last year
22 after a series of amendments and motions, and to have entered final judgment against him at
23 that time. See Order (dkt. 35). Doan sets out no grounds on which he is entitled to any relief
24 from this Court regarding his unrelated worker's compensation matters, and the Court sees
25 none. Doan's request, however construed, accordingly is DENIED.

26 **IT IS SO ORDERED.**
